

## Directions to Limpopo Lodge & Camping

From Johannesburg:

Take the N1 North until you get to the tollgate at Potgietersrus (new name Mokopane ) leave the free way and go to Mokopane. In town you cross 3 traffic lights. At the fourth light you turn left towards Marken and Steilloop ( N11) ( Nelson Mandela Street) this is a bad area, do not stop for gas at this intersection. Fill up before you get here). Carry on through town, once you are through town stay on the Steilloop/Groblersbrug road ( N11) until you get to Baltimore ( about 130 km ). At Baltimore you turn right towards Tolwe. Carry on for about 25 km and you will see a sign that says Africa Sport Hunting Safaris on your right hand. Follow the dirt road until you get to a green gate (1km). You will see the camp once you are at the gate.
